2011 -- Membership Agreement
for the Transfiguration Community Supported Agriculture (CSA)
at the Church of the Transfiguration, Pittsford, NY

I would like to take part in the Transfiguration CSA. I understand that the Fellenz Family Farm will act in good faith to provide me with fresh locally grown produce from their farm and other organic producers in Ontario and Wayne County. **I also understand that if I do not pick up my share it will be donated to a community program or individuals in need**. It isn't expected, but the season start and end dates could change due to weather. I understand that Andy Fellenz and the Fellenz Family Farm will make their best efforts to deliver all of the items promised but recognize that weather or other problems could lead to crop failures for some items.
