

**Church of the Transfiguration
Ministry Description Book
2010**

The People of Transfiguration....
At work around the altar, with others in the community,
building, growing and at play in fellowship with each
other as we celebrate
“How Good It Is For Us To Be Here.”

The Lord has entrusted certain talents to each of us.
They may be gifts of knowledge, thought, speech,
influence and energy, among many others.
They include capabilities we've learned,
things we love to do,
things we are naturally good at and things
where we can make a difference.
These gifts have been given to us in trust.
A steward is a trustee of his or her master's goods.
The health of our church community
requires service from all of us.
We must begin to see ourselves as “owners”,
servants and stewards, not guests.

The Vision of Stewardship

at The Church of the Transfiguration is to provide an awareness of and invitation to share God's gifts of time, talents and treasure.

The Mission of Stewardship

at The Church of the Transfiguration is:

- To encourage parishioners' ownership of the Church of the Transfiguration
- To identify and organize opportunities for stewardship
- To consistently communicate God's call to stewardship and the opportunities to fulfill that call.
- To foster the Church of the Transfiguration's foundation of hospitality and strengthen its bonds of community.
- To support parishioners' baptismal call to receive God's gifts gratefully, cherish and tend them responsibly, and return them generously.

The Bible tells us that we are accountable to God for all the gifts of time, talent, and treasure that He entrusts to us. We need to return these gifts to Him, in thanksgiving for all God has given, and so that the Church will have the resources it needs to do God's work here in our parish and throughout our community.

Spiritually the difference is not just what we give, but more importantly, in why we give. Rather than giving to meet a specific need, sacrificial giving is an extension of our spiritual life. By giving to the Church and to charity we are expressing a detachment from material possessions and a devotion to God. It is also a change in that it requires personal reflection and planning as opposed to a spur of the moment decision.

At Transfiguration, Stewardship of your gifts is a totally voluntary program and asks that each person or family make a sacrificial gift to the Lord. Your offering of time, talent and treasure should be from the first portion of our gifts – a true sacrifice.

Christian Formation, K-8 Teacher (Rel. Ed.)

This is a weekly commitment to serving and leading our children in learning and living the Gospel of Our Lord. We train all volunteer teachers and offer very flexible scheduling, babysitting, and assistance. You DO NOT need to be a professional teacher to teach Children's Christian Formation.

Christian Formation Aide

Aides can help in many ways: in the classroom, in the Education Center, at Special Celebrations, etc. Primarily we need aides to help in a classroom setting weekly, for a teacher who may need an extra set of hands.

Christian Formation Babysitting

Many of our volunteers have small children who may need supervision during class times. Our babysitting volunteers offer their time in supervising and guiding our little ones while our Formation Classes are meeting.

Christian Formation Office Help

We call on office helpers to assist with large mailings, certain materials needs, and other general office work when the Christian Formation office is operating at or above capacity! We offer flexibility in our office helpers, and help can be done from home!

Christian Formation Celebration Assistance

Our helpers serve in many ways: setting up/take down for Sacramental Celebrations and Family Activities as well as special needs, like sewing or baking cookies.

Christian Formation Substitute Teacher

We always need a large pool of substitutes, in the event that one of our teachers cannot make it to class. All lesson plans, guides, and materials are provided to the substitute.

Parish Partners Mentor Program

From time to time we have a child with special needs or a child who needs some mentoring as a part of their religious instruction. Parish Partners is always in search of compassionate and patient volunteers to aid in this valuable ministry.

TRANSFIGURATION YOUTH MINISTRY ("TYM")

TYM Team: The TYM Team is a group of **peer** and **adult** leaders who plan and lead our youth ministry programs for junior high and senior high youth. We need caring, fun adults to be present with our junior high youth at our regular Wednesday night meetings and with our senior high youth at our regular Tuesday night Destiny meetings.

"And he gave some, apostles, and some, prophets, and some, evangelists, and some, pastors and teachers, ... " Eph. 4:11

VACATION BIBLE SCHOOL (VBS)
Christian Formation Office

VBS Communications Center
Our VBS "Post Office." Each day the Communications Center offers a message for each bible-schooler. This is a very fun and rewarding way to meet all the VBS children.

VBS Decorating Assistance
Before VBS can even begin, decorating must be done! We need all kinds of helpers to get our campus ready for this weeklong celebration!

VBS Gym Leaders
One of the VBS stations is in our Parish Life Center Gym. Physical activities are part of the VBS experience and we need enthusiastic and spirit-filled helpers in this area.

VBS Kitchen Crew
Each day our VBS crews need a snack! If you're handy in the kitchen, this is a great way to help out. Each day you prepare and distribute a snack for our attendees.

VBS Music Leaders
Music is key at VBS! We always need motivated helpers to work and SING with our children each day as they learn about God through music, song, and motion.

VBS Service Area Leaders
Each year VBS has a number of service projects. The Service Area helpers guide and coordinate the children as they help ready each project.

VBS Teacher
A VBS teacher is really a leader for a group of 10-12 children during VBS week. They teach lessons, do crafts, and escort the children to different stations throughout each day.

VBS Teacher Aide
VBS aides are usually teens who wish to help teach and lead at VBS. They assist the teachers with whatever needs they might have.
